## **Power of Intention Series:**

## Creating Freedom with UniversalCashFLOW™

Why wait until the New Year to start inviting Abundance. Abundance is here with us Now. It's as simple as snapping your fingers to start Receiving all you desire, Effortlessly.

There are many things I have absolutely no talent for, like cooking. You want me to boil water? I may just burn down the house. You want breakfast in bed? You may just get breakfast right in your bed.

The one Gift I've always had is that everything I touch turns to gold. With much research and channeled guidance, I now share with Souls how they can also tap into their UniversalCashFLOW™, creating personal

and financial Freedom. Be prepared to shift your vibration and belief system in the workshop. Find out what drives you and how you can also turn everything you touch into gold. As a bonus, I will share with you my personal Secrets to Abundance and how I created many successes in business and investment- all with peace, love, and integrity.
